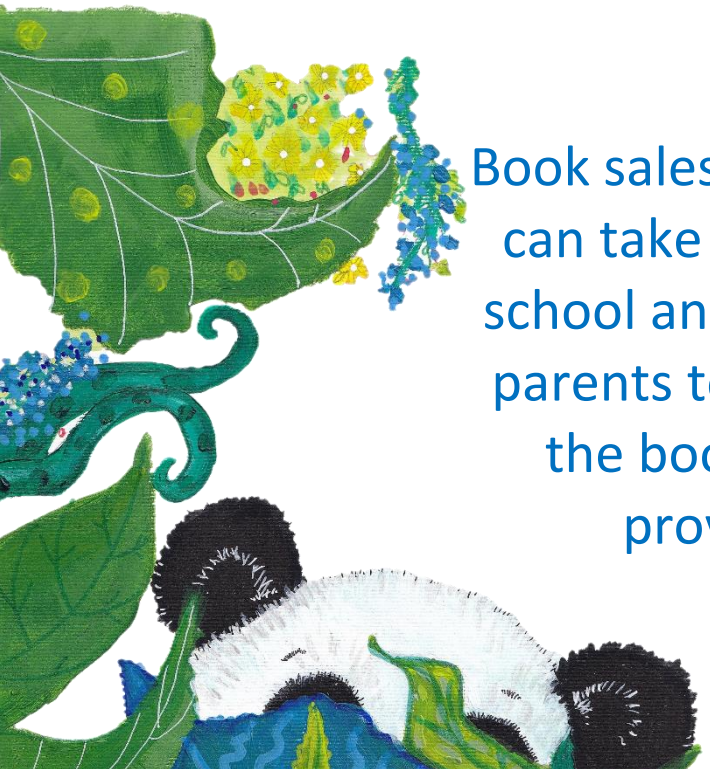
Local Rugby Author and Illustrator Jessica Hartshorn will visit your school and read her new picture book ‘Super Panda’ particularly aimed at key stage 1. During her hour with you, she can also answer questions and show students how to draw the main character, ‘Super Panda’.

The story takes you on a journey through the jungle to an animal fancy dress party, where a leafy cape transforms Paul into ‘Super Panda’. But as he zigs and zags through the Jungle, is he all alone? Find out during this fun session and be the first to see the new book.



Book sales and signing can take place after school and a letter to parents to pre-order the book can be provided.
